

**X-90X**

## X-Line 90 Excavator

The X-90X delivers powerful turbocharged performance with advanced hydraulic controls and a premium operator environment - built for heavy-duty excavation work across construction, agriculture, and land development. **Turbocharged Power. Professional Performance.**

### Key Specifications

#### Power & Performance

Engine	75 HP Cummins TIER 4 turbocharged diesel engine
Operating Weight	19,841 lbs
Travel Speed	3 MPH
Hydraulic Flow	42 GPM
Track Type	Steel only
Drive System	Professional-grade hydraulic components for reliability

#### Operator Controls & Safety

Control System	Hydraulic pilot servo operation system for precise control
Control Pattern	SAE/ISO standard

#### Hydraulics & Attachments

Blade	6-way angled front blade for precise grading and positioning
Hydraulic Thumb	Hydraulically operated thumb
Quick Hitch	Hydraulic quick hitch for fast attachment changes

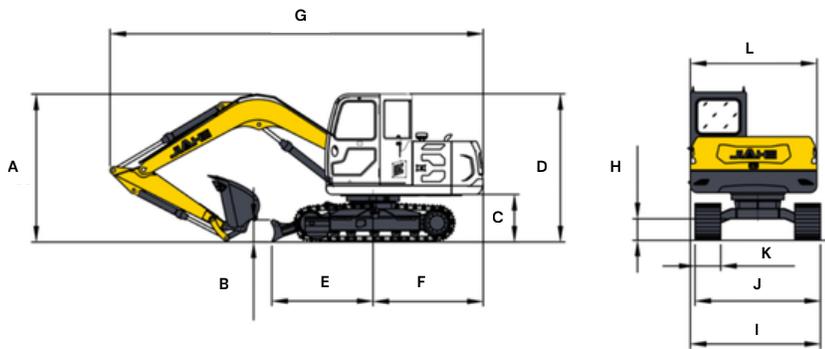

## Description (cont.)

### Cab Features

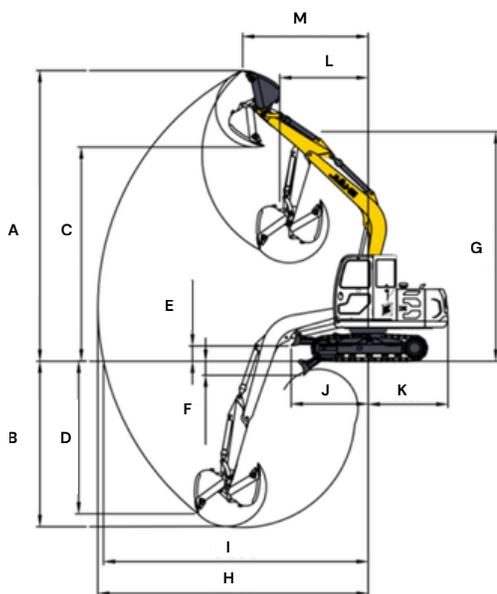

Cabin Type	Luxury full-seal cabin for operator comfort
Climate Control	Heat and A/C for year-round operation
Display	LCD display for comprehensive system monitoring
Lighting	LED work lights for all-condition visibility
Design	Humanized design for comfortable operation and convenient maintenance
Noise Level	Low noise operation for operator comfort

## Measurements (in.)

### Machine Measurements

Length	257 in (21.42 ft)
Width	89 in (7.42 ft)
Height	103 in (8.58 ft)

### Machine Size (in.)

A	102	E	69.7	I	89.6
B	15	F	75.9	J	86.6
C	32.8	G	257	K	17.7
D	103.5	H	1.3	L	87.2

### Working Range (in.)

A	277	H	257.5
B	158	I	251.9
C	204	J	73.8
D	140	K	75.9
E	14.5	L	84.2
F	13.5	M	119.5
G	219
