

X-77FX

X-77 Forklift 4X4

The X-Line 77 Forklift 4X4 is our most capable forklift yet – featuring switchable **4-wheel drive** for unmatched traction on rough terrain, muddy jobsites, and uneven ground, paired with a robust **7,716 lb lift capacity** and **14.7 ft lift height**. Built for outdoor construction sites, agricultural operations, and demanding industrial environments where standard 2WD forklifts struggle.
