

X-65X

X-Line 65 Excavator

The X-65X delivers versatile digging power with precision hydraulic controls and a comfortable operator environment – built for demanding excavation work across construction, agriculture, and land development. **Precision Digging. Powerful Performance.**

Key Specifications

Power & Performance

Engine	56 HP Kubota EPA-certified diesel engine
Operating Weight	13,448 lb
Travel Speed	3 MPH
Hydraulic Flow	33 GPM
Track Options	Steel track or rubber track available
Drive System	Professional-grade hydraulic components for reliability

Operator Controls & Safety

Control System	Hydraulic pilot servo operation system for precise control
Control Pattern	SAE/ISO standard

Hydraulics & Attachments

Blade	6-way angled front blade for precise grading and positioning
Hydraulic Thumb	Hydraulically operated thumb
Quick Hitch	Hydraulic quick hitch for fast attachment changes

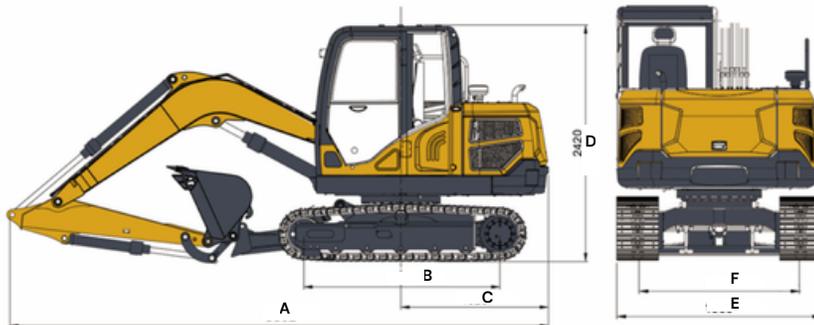

Description (cont.)

Cab Features

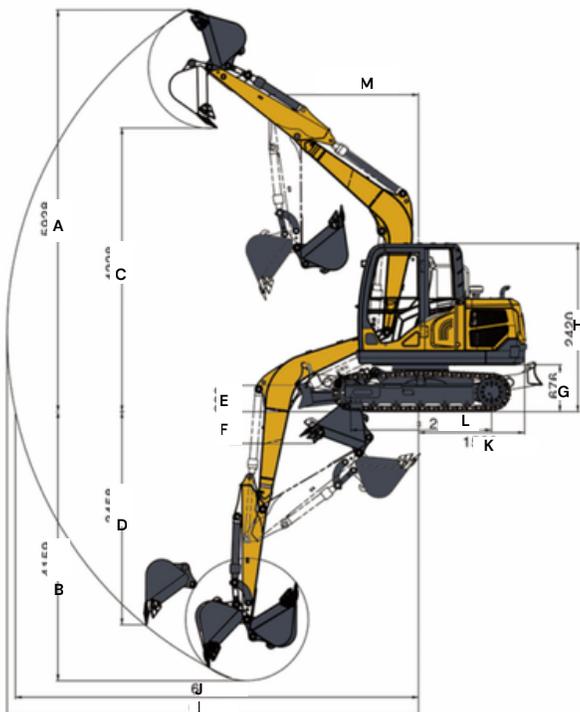

Cabin Type	Luxury full-seal cabin for operator comfort
Climate Control	Heat and A/C for year-round operation
Display	LCD display for easy system monitoring
Lighting	LED work lights for all-condition visibility
Design	Humanized design for comfortable operation and convenient maintenance

Measurements (in.)

Machine Measurements

Length	228 in (19 ft)
Width	77 in (6.42 ft)
Height	95 in (7.92 ft)
Cabin Height	95 in (7.92 ft)
Track Length on Ground	78.3 in (6.53 ft)

Machine Size (in.)

A	228
B	79.5
C	60
D	95
E	77
F	61.5

Working Range (in.)

A	233	H	95
B	163	I	242
C	166	J	239
D	136	K	59.8
E	14.9	L	79.5
F	17.9	M	94
G	26.6
